Driving business home

We are proud to be producing and broadcasting The Coast's drive time business bulletin. On air and online, every weekday at 5.30pm.

LPG chairman Lee Peck and PR director Alyson Marlow will share the on-air business news duties as they join presenter Iain Meadows on his Homeward Bound Show.

John Clayton, group programme director, said: "Leepeckgroup is a very credible agency with huge experience of the business world. It's a perfect fit."

Tune in to Coast 106 & 106.6 FM on your way home and catch up with the latest in business news.
